The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage visit www.iuhealthplans.org or call 1-866-895-5975. <tr>
<td>What is the overall deductible?</td>
<td>In-Network: $2,500 employee-only / $5,000 all other coverage levels. Out-of-Network: No Coverage</td>
<td>Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, the overall family deductible must be met before the plan begins to pay. The deductible starts over each January 1st.</td>
</tr>
<tr>
<td>Are there services covered before you meet your deductible?</td>
<td>Yes</td>
<td>This plan covers some items and services even if you haven’t yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</td>
</tr>
<tr>
<td>Are there other deductibles for specific services?</td>
<td>No</td>
<td>You don’t have to meet deductibles for specific services.</td>
</tr>
<tr>
<td>What is the out-of-pocket limit for this plan?</td>
<td>In-Network: $3,000 employee-only / $6,000 all other coverage levels Out-of-Network: No Coverage</td>
<td>The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, the overall family out-of-pocket limit must be met.</td>
</tr>
<tr>
<td>What is not included in the out-of-pocket limit?</td>
<td>Premiums; balance-billing charges; out-of-network transplants; and health care this plan doesn’t cover.</td>
<td>Even though you pay these expenses, they don’t count toward the out-of-pocket limit.</td>
</tr>
<tr>
<td>Will you pay less if you use a network provider?</td>
<td>Yes. See <a href="http://www.iuhealthplans.org">www.iuhealthplans.org</a> or call 1-866-895-5975 for a list of network providers.</td>
<td>This plan uses a provider network. You will pay less if you use a provider in the plan’s network. Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.</td>
</tr>
<tr>
<td>Do I need a referral to see a specialist?</td>
<td>No.</td>

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
