What is IU High School?

IU High School (IUHS) is a virtual high school that provides individual courses as well as a fully accredited high school diploma through distance learning. IUHS is accredited through the North Central Association and accepted for college admission by Indiana University and Big Ten schools, as well as many other universities nationally.

IUHS can be used by adults as an alternative to a GED education, by parents home schooling their children, as a supplement to regular high school programs, and by faculty or staff who wish their children to complete a domestic high school degree while overseas.

Tuition waiver benefit amount

This benefit provides a 25% waiver of course tuition (not fees) for eligible employees and their dependents who enroll in courses offered through IUHS.

Eligibility for the tuition waiver

Employee and retiree eligibility – The following categories of individuals associated with Indiana University are eligible for the IUHS Tuition Waiver. You must have such status at the time of registration for IUHS courses.

- Full-time (75% FTE or greater) appointed academic and staff employees (including IU residents);
- Full-time (75% FTE or greater) appointed academic and staff employees (including IU residents) on an approved leave of absence, other than a leave without pay prior to active employment.
- Former employees with IU retiree status.
- Disabled former full-time (75% FTE or greater) appointed academic and staff employees (including IU residents) receiving long-term disability benefits from a university-sponsored plan, Social Security Administration, or PERF.

Spouse eligibility – A spouse means one by marriage, either opposite-sex or same-sex, legally entered into in one of the 50 states, the District of Columbia, or a U.S. territory or a foreign country. The spouse must meet the definition of a spouse of an eligible employee or retiree, or of a deceased employee or retiree who was eligible at the time of their death, at the time of registration for IUHS courses.

Dependent child eligibility – A dependent child is the biological or adopted child, stepchild, or child whose legal guardian is an eligible individual. The child must also:

- be unmarried; and
- be 23 years of age or under, and
- meet the [IRS support test](#) requirements as a qualifying child of the employee or spouse.

The dependent child must meet the definition of a dependent child of an eligible employee or retiree, or of a deceased employee or retiree who was eligible at the time of their death, at the time of registration for IUHS courses. Additionally, individuals are not eligible to receive benefits as both an employee and a dependent or as a dependent of more than one employee.

Applying for the tuition waiver

For IU High School (IUHS) courses, a separate IUHS Tuition Waiver Application must be completed before the student registers for classes. **The fee waiver cannot be applied to courses you have already registered for.**

Completed applications should be submitted to IU Human Resources for processing. After verification of eligibility, IU Human Resources will provide your enrollment information to IUHS. At that time, you may register for IUHS courses with the fee waiver.
