Certain changes to your IU benefits may be made at any time. These include updating your beneficiaries, changing your Health Savings Account (HSA) contribution, enrolling in or changing your Long Term Disability or Supplemental Life Insurance (Evidence of Insurability may be required), or changing your supplemental retirement plan contributions. Optional Benefit Changes are effective the day of submission if completed before 7:00PM ET, or the following day if submitted after this time. Follow the instructions below to make these optional benefit changes online.

2. Complete two-step login using your IU username ID/passphrase and Duo.
3. Select the Benefit Details tile.
4. Select the Optional Benefit Changes tile.

6. Read the information on the Welcome screen. To progress through the OBC process, click the yellow Next button in the upper right-hand corner of the screen.
7. Verify your personal information, and payroll direct deposit and tax withholding details, and make updates if needed. Click Next to proceed to the next step.
8. Click the Start My Enrollment button. On the next screen click the gray Select button next to the event.
9. Under the ‘Benefit Plans’ heading, select each benefit plan one at a time to review your current enrollment and beneficiaries (if applicable), and make any allowed changes.
