DEPENDENTS OF A RETIRED EMPLOYEE ARE NOT ELIGIBLE FOR DEPENDENTS LIFE INSURANCE BENEFITS.

PART 4: TYPES OF BENEFITS

LIFE INSURANCE BENEFITS FOR EMPLOYEES AND RETIRED EMPLOYEES

(A) The Death Benefit

...will be paid by Standard, if you die while insured for life insurance under the Group Policy. Proof Of Loss satisfactory to Standard must be received before the Death Benefit will be paid. The Death Benefit will be the amount set forth in "PART 3: SCHEDULE OF BENEFITS, The Amount of Life Insurance."

No Death Benefit Will Be Paid For Optional Life Insurance For Employees

...if your death results from suicide or other intentionally self-inflicted injury, while sane or insane. The following will apply:

- (1) the amount payable will exclude the amount of your optional life insurance which has not been continuously in effect for at least 2 years on the date of your death. In computing the 2-year period, Standard will include time you were insured under the prior plan.
- (2) Standard will refund all premiums paid for that portion of your optional life insurance which is excluded from payment under this suicide exclusion.

See "PART 7: APPLYING FOR BENEFITS AND REQUESTING INFORMATION" for time limits on filing Proof Of Loss.

(B) The Waiver Of Life Insurance Premium Benefit

...will be provided during your continued Total Disability. Your life insurance under the Group Policy will be continued without premium payments during your Total Disability if, such disability:

- (1) began while you were insured under the Group Policy other than as a Retired Employee and
- (2) began before you became age 70; and
- (3) continued for 6 consecutive months.

See "PART 7: APPLYING FOR BENEFITS AND REQUESTING INFORMATION" for time limits on filing Proof Of Loss.

If Death Occurs Before Initial Proof Is Given

...the Death Benefit will be paid if:

- (1) death occurs within 12 months from the date Total Disability starts; and
- (2) Proof Of Loss is given within 12 months of death; and
- (3) such proof shows that Total Disability was continuous from the date it began until the date of death.

The Amount Of Life Insurance During Total Disability

...under the Waiver Of Life Insurance Premium Benefit will be the amount for which you were insured at the start of Total Disability, excluding the benefit for Class 2, and except:

- (1) if you had not been Totally Disabled; and

- (2) your amount of life insurance under the Group Policy would have been reduced under the provisions of the Group Policy that were in effect at the start of your Total Disability;

the amount of life insurance under the Group Policy continued under this benefit for you will also be reduced under those provisions.

In no event will your life insurance under the Group Policy be increased while you are Totally Disabled.

If The Conversion Provision Is Used Before Waiver Approved

...and a Standard individual policy of life insurance was issued to you under "PART 6: WHEN INSURANCE CEASES, Conversion Of Life Insurance," payment can be made under either "PART 4: TYPES OF BENEFITS, The Death Benefit" or the individual policy, not both. Before payment can be made under "PART 4: TYPES OF BENEFITS, The Death Benefit," the individual policy must be surrendered to Standard without claim except for the return of any premiums paid. If Standard made payment under the individual policy, any Death Benefit payable under the Group Policy will be reduced by the amount paid under the individual policy.

Insurance Continued Under The Waiver Of Life Insurance Premium Benefit Will Cease

...on the earliest of the following events:

- (1) the date you cease to be Totally Disabled; or
- (2) the date you become age 70. If, when insurance ceases under this subsection 2 you meet the definition of Retired Employee as set forth in "PART 9: DEFINITIONS," insurance will be continued under this benefit for you as a retired employee; or
- (3) the date you fail to give proof of continuous Total Disability, as required.

Insurance will not be affected by termination or amendment of the Group Policy after you become Totally Disabled.

When The Waiver Of Life Insurance Premium Benefit Ceases

...you may purchase an individual policy under "PART 6: WHEN INSURANCE CEASES, The Conversion of Life Insurance" as if your employment had terminated. If, however, you return to Active Work for your Employer during the conversion period and are again insured under the Group Policy, no conversion will be permitted.

(C) The Permanent And Total Disability Benefit

The Permanent And Total Disability Benefit applies to the first \$20,000 of life insurance under the Group Policy. If payment is made under this provision for a portion of life insurance under the Group Policy in effect at the start of the Permanent And Total Disability, the Waiver Of Life Insurance Premium Benefit, if any, will apply to the reduced amount of life insurance under the Group Policy remaining in effect. You may purchase an individual policy under the Conversion Of Life Insurance provision for that amount of life insurance under the Group Policy not applicable for this benefit.

The Permanent And Total Disability Benefit

...will be provided during your continued Permanent And Total Disability. If you become Permanently and Totally Disabled, you will be eligible for a monthly Permanent And Total Disability (PTD) Benefit as set forth below, provided:

- (1) your Permanent And Total Disability began:
 - (a) while you were insured under the Group Policy; and
 - (b) before you became age 60.
- (2) you were insured for 12 consecutive months prior to the start of Permanent And Total Disability.

See "PART 7: APPLYING FOR BENEFITS AND REQUESTING INFORMATION" for time limits on filing Proof Of Loss.

You Are Permanently And Totally Disabled

...if due to sickness or bodily injury you are unable to perform with reasonable continuity the material duties of each and every occupation for pay or profit for which you are or may reasonably become suited by education, training, or experience, and your inability to work is reasonably certain to continue without interruption for the rest of your lifetime.

The Monthly PTD Benefit

A PTD Benefit

...will be paid to you during your continued Permanent And Total Disability.

...will equal \$18 per \$1,000 of your life insurance under the Group Policy or be applied to the first \$20,000 amount of life insurance under the Group Policy for which you were insured at the start of the Permanent And Total Disability, and paid monthly for a maximum payment period of 60 months.

If The Conversion Provision Is Used During Permanent And Total Disability

...and a Standard individual policy of life insurance under the Group Policy was issued to you under "PART 6: WHEN INSURANCE CEASES, Conversion Of Life Insurance," payment cannot be made under "PART 4: TYPES OF BENEFITS, Permanent And Total Disability Benefit" until the individual policy is surrendered to Standard without claim except for the return of any premiums paid. If Standard made payment under the individual policy, any Permanent And Total Disability Benefit payable under the Group Policy will be reduced by the amount paid under the individual policy.

If Death Occurs After Benefits Are Approved But Not Yet Paid

...the amount of life insurance under the Group Policy in force for you at the start of the Permanent And Total Disability will be paid to your Beneficiary as set forth in "PART 5: PAYMENT OF BENEFITS."

The PTD Benefit Will Cease

...on the earliest of the following:

- (1) the date you cease to be Permanently And Totally Disabled.
- (2) the date you fail to give proof of continuous Permanent And Total Disability, as required.
- (3) at the end of the 60 months maximum payment period.

If PTD Benefit Ceases Before The End Of The 60 Monthly Installments

...you will be eligible under the Group Policy's Conversion Of Life Insurance provision, as if employment had terminated on the date the benefits terminated, for the then present value of the remaining unpaid PTD Benefit calculated at a nominal annual interest rate of 3% unless you return to work for your Employer in an Eligible Class of employees and are insured under the Group Policy. If, at any time, you return to work for your Employer and are insured under the Group Policy, the amount of life insurance under the Group Policy for which you are eligible will be reduced by the amount of the PTD Benefit paid.

If Death Occurs Before The End Of The 60 Monthly Installments

...the present value of the remaining PTD Benefit calculated at a nominal annual interest rate of 3% per year will be paid in one sum to your Beneficiary.

If You Elect To Receive An Accelerated Benefit Before The End Of The 60 Monthly Installments

...the amount of any remaining PTD Benefit will be reduced by an amount equal to the amount of the Accelerated Benefit paid, and the Accelerated Benefit calculated at a nominal annual interest rate of 3% per year will be paid in one sum to you.

(D) The Accelerated Benefit

...may be provided if you have a Terminal Illness. You may elect to accelerate the payment of your life insurance under the Group Policy in advance of your death, if Standard receives satisfactory proof that you have a Terminal Illness.

However, if your life insurance under the Group Policy is scheduled to end within 12 months following the date you apply for the Accelerated Benefit, you will not be eligible for the Accelerated Benefit.

There is no separate premium cost for the Accelerated Benefit and no discount or lien associated with acceleration of the life insurance under the Group Policy.

Terminal Illness

...is a state of health in which life expectancy is 12 months or less. Terminal Illness must be certified by a Physician.

The Amount Of Life Insurance That Can Be Accelerated

...will be the amount set forth in "PART 3: SCHEDULE OF BENEFIT, The Amount of Life Insurance That Can Be Accelerated."

Except, if:

- (1) the Schedule of Benefits provides for decreasing amounts of life insurance under the Group Policy; and
- (2) your amount of life insurance under the Group Policy is scheduled to reduce within 12 months from the date Standard approves your accelerated payment;

the amount of the Accelerated Benefit will be based on the reduced amount of life insurance under the Group Policy.

The minimum amount of life insurance under the Group Policy that can be accelerated is \$5,000 or 10% of your amount of life insurance under the Group Policy, whichever is greater.

Payment Will Be Made

...directly to you in one sum.

Payment Of The Accelerated Benefit

- (3) If only one Beneficiary in a class survives, Standard will pay the total death benefits to that Beneficiary.

You May Name Or Change The Beneficiary

...at any time without the consent of a Beneficiary.

Your Beneficiary designation may be the different for Basic Life Insurance, Optional Life Insurance, and accidental death & dismemberment insurance if any, under the Group Policy.
