# HR2020 Strategic Initiatives

## Building a Collaborative HR Community

We will establish ways to further build an HR Community that is **highly skilled, relationship-driven, and consistent.**

## Customer Service & Process Efficiency

We will evaluate and redesign HR services to achieve **easy access for employees and transparent communication.**

## Increasing Employee Engagement

We will build an environment of **employee engagement, empowerment, and improvement** where employees feel valued and appreciated.

**INDIANA UNIVERSITY**  
FULFILLING *the* PROMISE
