

Your health care information is always with you

With your digital ID card

Easy access to your health care benefits is important. That's why your Anthem plan provides you with a digital ID card - to be sure you have the right plan information with you when you need care.

Your digital ID card is available right away

To access your ID card:

1. Register on the Sydney Health mobile app with your university ID or SSN
2. Once you're logged in, check to make sure your ID card preference is set to digital.

Download your card to your mobile device:

If there's a weak internet connection you'll be prepared. You can:

- Print a copy of your card anytime.
- Email or fax it from your mobile device.
- Show it to your doctor from your smartphone. Your digital ID card is always there and works just like a printed ID card.

Keeping health care information handy is a good idea.

You can also use the Sydney Health app to check benefits and claims, or use the chatbot to get answers quickly. The more you use it, the more Sydney can help you stay healthy.
